Best Practices

Branding techniques

- Place your logo in a predominant position
- Use eye-catching colours that compliment your brand
- Include a relevant and enticing image
- Ensure any text is in a font style and size that is easy to read

Quality techniques

- Keep the content concise and highly focused
- Try and keep the file size as low as possible (this will lead to faster delivery of your advertisement on our websites)
- The landing page should be relevant to the banner

Click-through techniques

- Include a clear call to action
- Make the offer appealing enough to click

Tracking techniques

- It is in your interest to track your Campaign performance with your web analytics solution
- If you want to track banner URLs in your own web analytics tool or Google Analytics please refer to the document [here](#)
