Background Banner

Specification for the following sites:
Bakeryinfo.co.uk
Meatinfo.co.uk
Forecourttrader.co.uk

William Reed
INFORMING BUSINESS GROWTH

Dimensions

1920x1050 pixels (width x height) A central section of 980x1050 should be left blank

File size

The maximum weight is 80 kb.

A lower file size enables a faster delivery of your advertisment on our websites.

File type

.GIF or ..JPEG

Destination on click through:

Please provide a web address (URL link) for us to place on our ad server.

Additional Details and Recommendations:

Key content/messages should be restricted to a left and right section no larger than 160px X 600px sited either side of the central blank section and 36px down from the top, to allow for the William Reed Integrator bar. This will ensure the messaging can be seen on all screen sizes.
